

SC-14[®] PRO

INDUSTRIAL STRENGTH CLEANER / DEGREASER

ENGINEERED TO ATTACK HYDROCARBONS

SC-14[®] PRO is a concentrated water-based cleaner / degreaser engineered to clean and permanently remove stubborn oil, grease, grime, and other organic soils commonly found in the toughest industrial and commercial cleaning applications.

**NO HARMFUL CHEMICALS
SAFE ON ALL SURFACES
ENVIRONMENTALLY FRIENDLY**

NON-CORROSIVE & WATER SOLUBLE

RESIDUE-FREE CLEAN

Demulsifying action prevents grime from re-attaching to other surfaces - washes away with just water!

COST EFFECTIVE DILUTION

Use safely at any dilution ratio depending on cleaning strength required. Simple dilution with water from 1:1 to 1:20

HEAVY DEGREASING & SOAK (Full Strength to 1:3)

REGULAR CLEANING (IDEAL FOR SPRAY) (1:3 - 1:10)

POWERWASHING & STEAM CLEAN (1:10 - 1:20)

COMMON APPLICATIONS:

- Heavy machinery/yellow steel
- Equipment teardown/rebuild/maintenance
- Hydrocarbon deposits on any surface (oil, grease, soot)
- Facility floors (anti-slip protection)
- Oil/water separators & filtration systems
- Manufacturing & warehousing facilities
- Shop (tool & parts cleaning/floors/walls)
- Industrial operations (oil&gas, mining, transportation)
- Marine (bilges/decks/filters/galleys/engines/gelcoat)
- High performance painted surfaces & decals

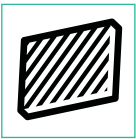

Available in 1 gallon jug, 5 gallon pail, 55 gallon drum, and 275 gallon tote formats. Read product label for specific detailed info.

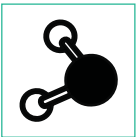

EFFECTIVELY TARGET HYDROCARBON GRIME AND OIL RESIDUE WITHOUT TOXIC SOLVENTS

MATERIAL COMPATIBILITY

SC-14® PRO effectively replaces many damaging petrochemical cleaners and highly aggressive solvent degreasers. Use safely and confidently on almost any workplace surface, exposed metals, painted surfaces, decals, tools and equipment without fear of oxidation, corrosion, dulling or compromised equipment function

INDUSTRIAL CLEANING POWER

Whether spray and wipe, power washing, or floor scrubber applications, SC-14® PRO bonds to oil and grease and rinses away permanently with just water leaving a residue-free surface

SAFER WORK ENVIRONMENT

Intelligently formulated to provide versatile cleaning power without endangering the user by eliminating the need for toxic and potentially carcinogenic solvents - all while helping clean and remove many other dangerous contaminants from the workplace

REDUCED WASTE IMPACT

Not only is SC-14® PRO safe on the environment, it's unique function separates oily waste contaminants from water - allowing users to employ separators, filters or other means to collect the waste portion while recycling or reusing gray water from the cleaning process

ABOUT SC PRODUCTS

For over 20 years, we've delivered high performance, specialized cleaners and all-purpose degreasers that are SAFE and EFFECTIVE. Permanently remove oil, grease, soot and other hydrocarbons without damaging the very thing you're trying to clean. Our unique line of biodegradable products are trusted by professionals in a wide spectrum of industries including firefighting, oil&gas, mining, automotive, marine, janitorial and facilities management.
